NOTE

Reynold India

As we close the end of this financial year, one of our busiest months across departments, we enjoyed a healthy mix of work and play.

The festivities of Holi and lots of birthdays to celebrate was a welcome break from a busy month, where Jack did more work than play.

We are closing out this fiscal year, looking forward to the future and what April may bring!

Happy Birthday Celebration

May your special day be filled with sweet moments,
and may the year ahead be your best one yet.
